

CASE STUDY : BROADBAND ASSURANCE LLC

[BACKGROUND]

- ▶ Broadband Assurance is a marketing and business consulting firm assisting corporations in implementing business development, brand management and strategic initiatives for broadband and VoIP solutions. The company led the identification and implementation of a cable footprint for IBM, facilitating teleworker access for 160,000 employees. It also developed products for telemedicine and IP telephony.

[CLIENT SPEAK]

“ The Systems Plus team took extraordinary care and effort to work through the product requirements. They worked closely with me and my team to look at alternatives and ensure that the goals of the project were met. I highly recommend them and WILL be using them in the future. ”

Troy Glick
CEO, Broadband Assurance LLC

[OUR CHALLENGE]

- ▶ An online Mortgage Application Submission allowing Brokers and Lenders to analyze and control frauds by validating mortgage applicants and property.
- ▶ The solution should further allow assigning of the application to Lending Institutions to help processing the Lien

[OUR SOLUTION]

- ▶ An application built using .NET Framework 3.5, ASP.NET, AJAX and SQL Server 2005 with MS Excel Based Reporting.
- ▶ The steps taken in the implementation of this solution were:
 - Defining the SRS and GUI in a detailed discussion with the client and understanding his every requirement in detail.
 - Based on the requirements identify the Security Architecture, Technology and Database to be used and Scalability Planning.
 - Development of a Web Prototype to give all stakeholders a feel of the GUI and Process flow. The prototype would also be used as a sales demo.
 - Development and Testing.
 - System and UAT, final implementation and Go Live.

[BUSINESS BENEFITS]

- ▶ Clarity in requirements understanding leading to better performance planning.
- ▶ High level security architecture.
- ▶ Lesser human errors on paper work and increased accuracy through the generation of adequate forms and reports.
- ▶ Planned start and finish; product out on time
